MedGU-25 Keypoints:

- The MedGU Annual Meeting is one of the region's largest international geoscience meetings, with an average of 600 geoscientists attending in person and virtually each year.
- The MedGU Annual Meeting aims to provide a forum where geoscientists, especially early career researchers, can present and discuss their findings with experts in all fields of geosciences.
- The 5TH MedGU Annual Meeting will take place on 10–12 November 2025 in Athens, Greece.
- It will go ahead in person but there will be a possibility to present online.
- It will feature talks and panels covering a diverse range of geoscience and geoscience-society topics.
- Abstract submissions (max. 350 words) will be accepted until 25 September 2025. Before submitting on [Performer](#) system, please read the Guidelines.
- The MedGU-25 encourages submissions of research works from all regions of the world.
- We are planning workshops, a social program, and a field trip, where participants can take a little time out to explore the wonders of the geological sites of Greece.
